EXHIBIT I
APPLICATION FOR INSPECTION OF PUBLIC RECORDS

The District encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents that are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The District has ten days to respond to any request for a copy of public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. You may be notified within the ten-day period that additional time is necessary. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review. If you do not know the precise identification of the document, please describe its contents as clearly as possible. Minutes of Board of Directors meetings, annual budget and audits are available on the BCHD website, www.bchd.org.
