

Healthy Living Campus Project
Community Working Group
August 21, 2017

CWGW Meeting #4: Agenda

- Feedback: Results & Responses
- Center for Health & Fitness (CHF): Preliminary Plans
- Convertible Parking Structure Update
- Building Elevation Visualizations
- Next Steps

Feedback

Results and Response

Feedback Results

- CHF should be integrated into the campus
- Connect CHF to an outdoor exercise feature
- Consider adding a pool
- Green spaces should be better developed
- Building heights should be addressed
- Consider building convertible parking structures

CHF Plan Refinements

- Refinements include:
 - Preliminary plans for warm water exercise pool
 - Pedestrian entry/exit to BCHD plaza level
 - Outdoor exercise space connected to plaza-level entrance
 - Studying building convertibility

CHF

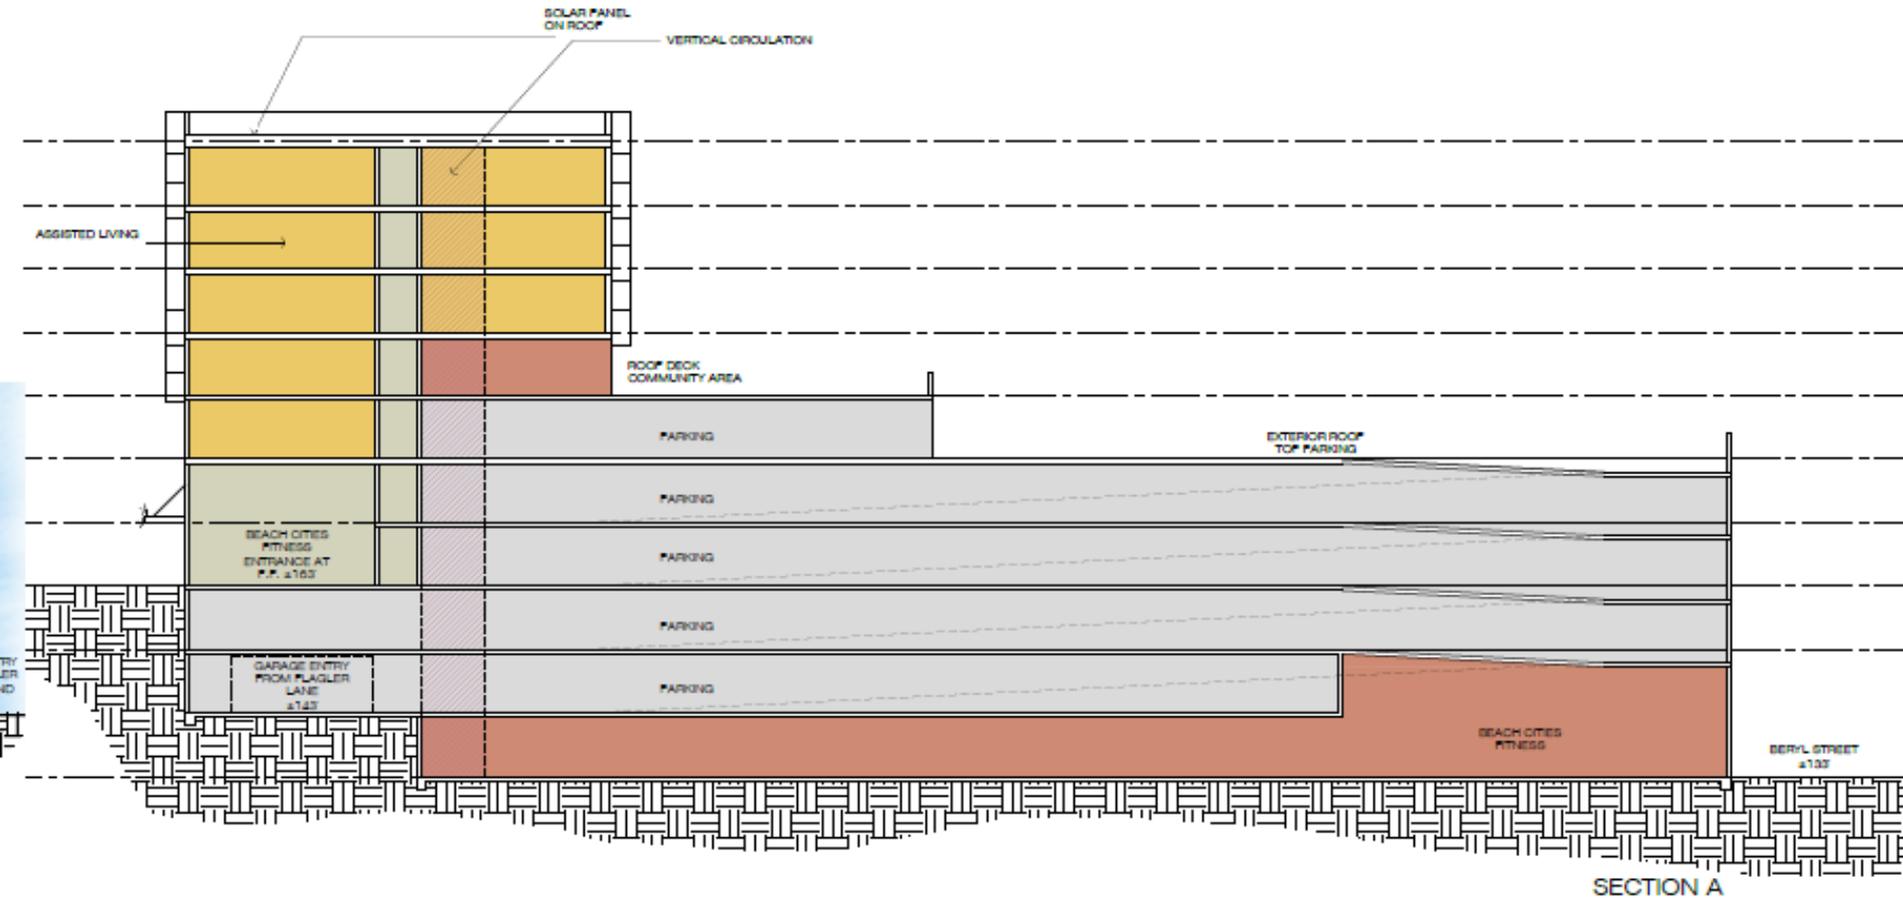

Preliminary Plans

Refinement: Campus-Level Entry

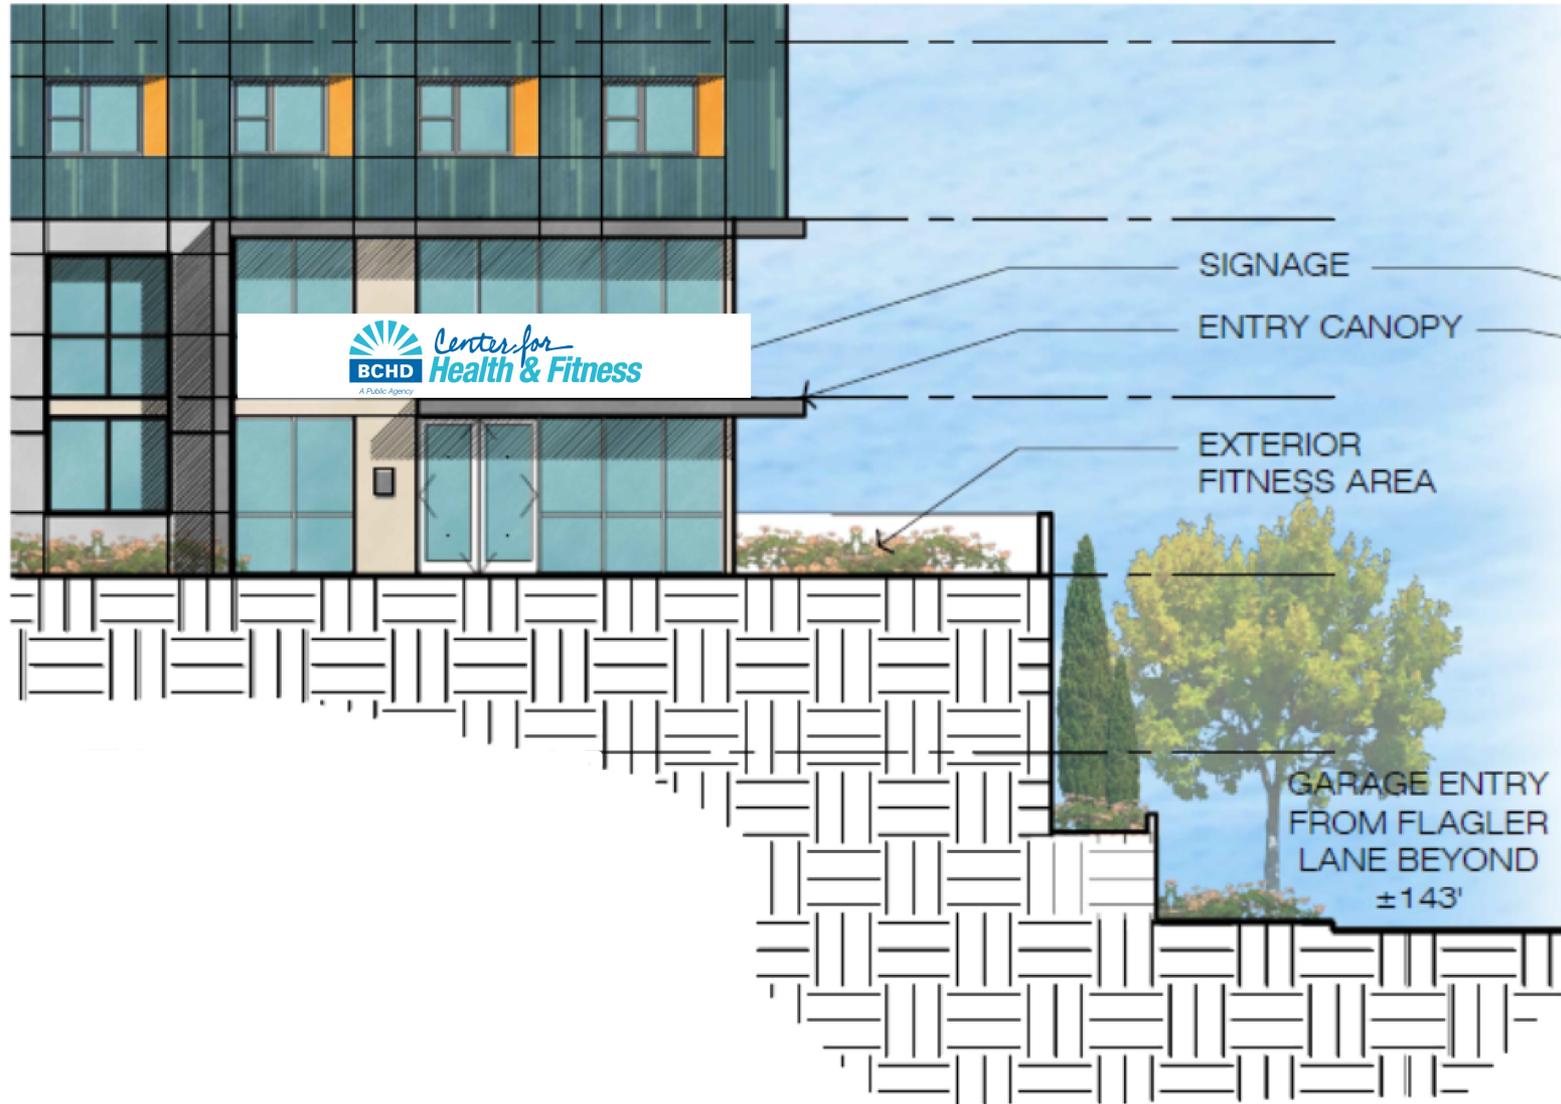

(Aerial view)

Refinement: Campus-Level Entry

(View from Flagler, facing West)

Consideration: Campus-Level Entry

(View of entrance from on campus, facing North)

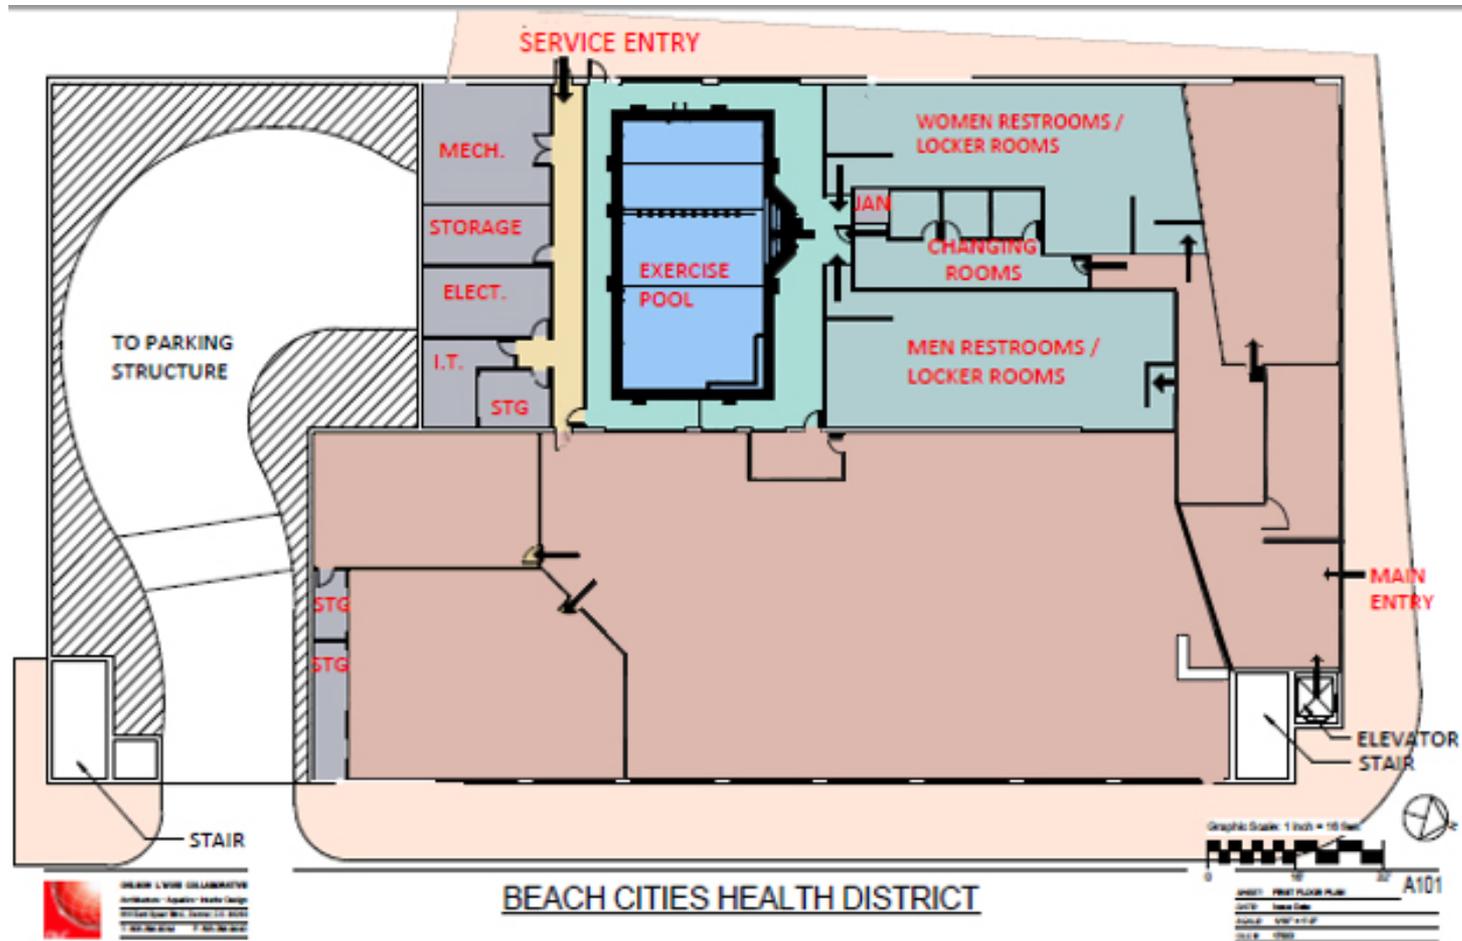

Warm Water Pool

- Conditions that can benefit from aquatic therapy:
 - Arthritis
 - Arthroscopic surgery recovery
 - Balance disorders
 - Chronic pain
